A Note from Our Leaders

DR B.S. Rao

Founder & Chairman, Sri Chaitanya Educational Institutions

“ Sri Chaitanya began with the intention of creating a safe learning space for girls with Sri Chaitanya Girls Residential College in 1986. But in education, expansion never ceases; therefore, with time Sri Chaitanya diversified to provide career-based learning centres and techno schools. We selected the top educators of India to create a successful teaching system. The vision of imparting good education has allowed Sri Chaitanya to thrive for over 38 years. SCORE Challenge 2023 is our effort to support the students of India in becoming future leaders through advanced learning resources, success formulas, technologies and environment.”

Ms. Sushma Boppana

Founder Director, Knowledge Hub; Academic Director, Sri Chaitanya Educational Institutions; Founder Director, Infinity Learn

“ For nearly 38 years, Sri Chaitanya has been preparing students for excellence not only in academics but also in their future career paths. We have made this possible through meticulously crafted curriculums, classroom structures, and teaching strategies that build and strengthen their foundation, increase their grasp of core concepts, and empower them to think creatively in our rapidly evolving world. SCORE 2023 is an effort and a commitment to extending these advantages to students across India - a land where talent abounds and is waiting to be discovered. It is my privilege to welcome the bright young minds of our nation to the possibility of becoming India's best in any field they choose.”

Ms. Seema Boppana

Director, Sri Chaitanya Educational Institutions

“ It has been an enlightening, humbling and fulfilling experience to see Sri Chaitanya Educational Institutions go from strength to strength over the past few decades. Even more rewarding is the impact that our efforts have had on India's talented students, who now have access to the best curriculums and resources to turn their dreams into reality. With SCORE Challenge 2023, all our efforts have the same vision of making success the norm for young learners.”

SCORE 2023 is a platform for students of classes 7 to 12 who are looking for school admissions, foundation courses, and test preparation of exams like JEE Main, JEE Advanced, or NEET and want to avail scholarships for the online & offline courses. We help you to take your first step towards your goals.

Now SCORE is all set to take the next big leap and is poised to become INDIA's top competitive exam. SCORE 2023 is much bigger, competitive, intense, and rewarding with whopping Rs. 1000 crore worth scholarships. With 5 lakh+ students competing across, 1000+ schools and more than 100 cities, SCORE 2023 provides a chance of winning up to 100% scholarships.

SCORE 2023 focuses on the students' intellect, knowledge and tests the ability to apply the concepts in real world situations. The test covers subjects such as Physics, Chemistry, Biology, Maths and other concepts besides Mental Ability.

SCORE 2023 is Aimed at Students Who:

Want to boost their skills through a competitive approach

Want to pursue prestigious and high-quality school education

Want to enroll in foundation courses and test preparation of exams such as JEE Main, JEE Advanced or NEET with scholarships

Join a larger ecosystem of motivated learners spread across India

Want to take coaching after school hours, weekdays & weekends

Why is **SCORE** the Perfect Test for You

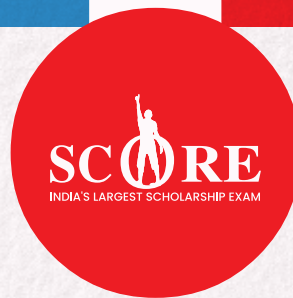

At Sri Chaitanya Knowledge Hub, we realise that success is not a product of luck but a series of successive steps towards your goal.

Whether you are an aspirant for JEE Main, JEE Advanced or NEET, SCORE is designed to provide you with:

- A chance to build your foundation skills with Knowledge Hub, backed with 38+ years of academic excellence and expertise
- A golden opportunity to meet and compete with the students across India
- Get the option to learn with outstanding faculty members

Is your child competition ready?

We at Sri Chaitanya Knowledge Hub understand the expenses incurred in giving your child top-class education in India's best schools and colleges.

With the SCORE Scholarship, Your child will receive:

Quality education at cost-effective prices

Foundational skills to excel in the school curriculum and beyond

Advanced preparation to crack competitive exams like JEE Main, JEE Advanced or NEET
